### **Meal Distribution Plan for Coronavirus School Closure**

To alleviate any food insecurities that may be experienced during our shutdown, Garrard County Schools will be serving lunch at all five schools starting Wednesday, March 18<sup>th</sup> to all children 18 and under, not just public school students. These meals will be available for “pick up only” at each school from 12:00 pm to 1:00 pm. We are asking parents to use the car drop-off line at each school for pickup of one meal per student in the car. Food Service Staff will be waiting at these doors each day to deliver the meals to your vehicle. No students or parents will be allowed inside the school buildings. We will be checking the temperatures of our Food Service Staff each morning before they begin preparing the food, and the meals will be packaged in a manner to ensure food safety. Meal distribution will run through April 3<sup>rd</sup>.
